[Redacted]

From a witness - Christine has been afraid of flying her entire adult life. Prosecutor Rachel Mitchell repeatedly challenged Christine about her of flying, in an effort to impugn Christine's general credibility. I could have provided the FBI with the names of at least half a dozen people who have flown with Christine and can attest to the fact that she has panic attacks before she flies. She controls those attacks with medicine prescribed by a doctor.

MEDICINES!!! So easy. Will Kwok be in town week of 14th
