3 things. 1. No excuses. As It was in the beginning of your talk , not relevant. And the most dangerous time. 2. In the streets your guys want sunglasses or glasses. As people throw liquids at their faces and it protects the eyes. 3 and during your talks scanning the crowd.

As some of your policies are really left. - I might ask the questioners. Did you agree with anything I've said? No? Do you believe in higher wages? . do you believe in reducing voter suppression.? If they say Yes. . tell me what do we agree on? Pow!
