Steve Bannon

Yes  
05:18:05 pm

Hope you are having a great thanksgiving  
11:11:57 pm

thx, I had some of the largest hedge fund guys here today , and they all now agree with my contention that something is stinky in the market. I suggested. That Saudi is selling. Maybe china. , they both want cash  
11:13:59 pm

Steve Bannon

Interesting  
11:14:37 pm

What do you think the likelihood of additional tariffs jan 1. Any progress at g20. .  
? put down that piece of pie

11:18:53 pm

Steve Bannon

Trump needs a 'win' and is getting huge pressure from mnuchin/Kudlow Wall Street faction --- but everybody else saying no deal possible--- markets keep crashing will all depend on trumps mood

11:32:23 pm

SB

There may be a video of kasshohgi. If so game over

11:57:55 pm

2018/11/23

Steve Bannon

I'm sure they do

12:01:25 am

SB

Im re-focused on you having a press/news base. Even if it were called the movement. It is so structurally elegant. Privileged.? Funding? Subscriptions.? , Intl . Avoid " in kind " treatment. Your notebooks , safe. etc

11:22:35 am

Steve Bannon

U mean have media platform not NGO/political platform?

11:27:19 am

SB

We can talk it out. Maybe both, but the NGO. Gives you little. And is old thinking. It allows a tax deduction in the states. ( at the cost of the govt being your partner " But otherwise , requires filings , public etc. " ). press . private. protected. . access, legal niceties. ( salaries . Etc ) .

11:30:36 am

Think of it as a battle plan. You have made great strides. Forged ahead. at some time you stop and build a fort to protect your gains. 😊

11:31:54 am

Press equiv. To walls. NGO equivalent to moat

11:32:46 am

Steve Bannon

Yes

02:30:46 pm

SB

K

02:33:30 pm

MBS becoming weaker by the day. shame. Not sure he makes it. Why don't you reach out to z and ask if we can set a date and venue

08:09:29 pm

Steve Bannon

MBS in UAE now

08:11:05 pm

SB

I thought today was Tunis. He is on a road show.

08:11:54 pm

Steve Bannon

I'm pretty impressed by how they are trying to power thru this

08:12:11 pm

Yes -- just departed mbz

08:12:28 pm

SB

My best guess is that it becomes impossible for him to sit at a table of leaders. And have any gravitas left. Especially if a video of them making Saudi sausage surfaces in the press

08:13:57 pm

Steve Bannon

Oh yeah that's done but was that ever a reality for any Saudi head???

08:15:09 pm

SB

Idi amin was ok , until they had a video of him eating the liver of his opponent. The past did not have the internet. Where the leaders are seen in real time shaking the hand of the butcher. Tricky. But it's not what I do.

08:16:54 pm

Unlikely that lambchop moves to replace shari, but aljazeera won't let up. So he should make peace with Q

08:19:27 pm

Steve Bannon

Agree ; and I think mbz does also

08:19:57 pm

09:06:54 pm

Steve Bannon

SB

How does this happen when crypto is imploding

09:20:08 pm

Good question. 1. The stock was down from 80 to 17 . So a move up to 22 not interesting. Crypto is the currency , block chain is the equiv of internet 2.0. this was the guy you wanted me to meet?

09:21:49 pm

Steve Bannon

SB

No need to-- I spent time with -- kind of a flake

09:30:02 pm

You are being generous
