so many guys caught in the me too . reaching out to me. asking when does the madness stop. funny

12:09:01 pm

uk you should kick boris johnson in the butt , he can do it

12:25:01 pm

Steve Bannon

Madness just starting because now it has political power

12:35:43 pm

yup

12:36:26 pm

it is very biological. first a cell splits left-right. then divides further. gender etc. , breaks into smaller groups forming multi cells. . ripe for a central nervous system. authority , direction strength winning

12:38:08 pm

it is culture exhibiting biological processes , it is simple.

12:38:52 pm

in cells there is a message to kill oneself if not part of the group. it is called apoptosis. a protection against cancer. I have asked to start a new game theory course at harvard called the gangster game. it describes. trump. putin assad xi, duerte erdogan. gambino

12:40:53 pm

if me too is political shouldn't you expect a counter party?
