Considering op ed , by ken Starr and or Dershowitz. Considering a law review article. . an independent inquiry into the fact that this penalty was for prostituion and harshest ever meted out. I've been asked , what can I give them on djt. Thoughts are little to do while the incoming is so heavy. But will hire pr and have to think with group on way forward.

The local prosecutor. Called Said your punishment was miles above anyone similarly situated. As their sex prosecutor that actually interviewed the girls said there were no real victims. Only prostitutes. UGH

Thoughts? Documentary? Interview? As you said this is part of a political wave so few have relevant experience

01:11:49 pm

It is not moonves getting bjs on a transactional (NYT) basis.

01:12:36 pm

Steve Bannon

How many of the girls would agree to be filmed?-- would the institutes youve founded, the work you've done-- would they be on film?

01:13:08 pm

SB

Steve Bannon

Besides curing breast cancer what about establishing THE major center for human trafficking; teenage prostitution; etc etc etc -- global problem , needs to be solved

01:33:33 pm

SB

The pr guys think may be seen to be an attempt to buy my way out. That is what the party of Davos would do.

01:35:57 pm
