09:54:39 pm

SB

Elizabeth ,,,, its the big one

09:55:59 pm

Jacques lang should be president. And le pen should be seen to negotiate on behalf of the vests. Win all the way

10:04:35 pm

Steve Bannon

I heard Jacques Lang good guy

10:05:22 pm

SB

U see Feds on Cohen???

10:05:37 pm

10:05:54 pm

Steve Bannon

SB

In Paris on Sunday

10:06:32 pm

Time/?

10:07:01 pm

Steve Bannon

SB

Don't know yet

10:08:14 pm

they stuck it to Cohen. , ie he chose not to be a cooperating witness (. Needed to save his relatives). . so . Take three months off a four and half year sentence

10:34:13 pm

Steve Bannon

SB

I'm confused about Cohen-- what are the docs telling us

10:36:25 pm

Two separate issues. 1. He is a tax evading crook. Big penalty. 2. He did not cooperate fully, 3. He said trump directed campaign violations and other officials knew of this lie telling with regard the Moscow project. Tax evasion 53 months. Take off 5 , so recommend 4 years. And lying to congress. No biggie. As they recommend serving concurrently. . basically they said that he refused to cooperate which would have required him turning in his relatives.

10:41:43 pm

Steve Bannon

SB But the moron HAD to negotiate all this away by serving up trump

10:53:18 pm

As he refused to be a cooperating witness, his testimony is not valuable, but he gave them plenty. Weisman despises him . Crooked Attny

10:57:11 pm

Steve Bannon

SB But he didn't refuse-- he rolled

10:59:55 pm

Not fully under the regs . To fully cooperate you need to bend over and answer all questions about anyone including your wife

11:01:07 pm

Steve Bannon

SB After all this he stiffed them???

11:07:15 pm

Yup

11:07:34 pm

Steve Bannon

SB

He has never been accused of having a big beautiful brain
