02:50:21 pm

Chomsky ready
03:01:53 pm

Steve Bannon

Dude : I'm in dc 24/7 since Wednesday morning-- I AM the game
03:05:35 pm

Chomsky ready to be filmed?
03:06:44 pm

yup
03:06:48 pm

Steve Bannon

Are u ready to actually make this-- the real way?
03:07:36 pm

Did barrack come back with names.? Summers would advise you off the record. Very off .. he is both experienced in battle and thoughtful.

03:07:41 pm

Dude. I AM the real way 😊

03:07:58 pm

Steve Bannon

I'm glad you didn't say 'the way and the light'

03:09:31 pm

I don't think he referred to his disciples as. DUDE

03:11:36 pm

Nadler Cummings shiff. All busy, drafting requests. - WaPo asked if I wanted to submit an op ed. ken Starr or.... . laying out prostiution not a fed crime. And I received harsher punishment for the same behavior than anyone else in history

03:15:29 pm

I told them for the moment I was working on curing cancer

03:15:50 pm

Btw. I think it is I am the way , THE TRUTH , and the light. Back to church for you

03:20:22 pm

Steve Bannon

Wooah!!!

03:31:18 pm

I meant the expression. , not the " I " part

03:35:21 pm

since you spent time in Asia, they shortened it to TAO , meaning all three

03:36:39 pm

And echoing your I am the game. Comment. My favorite was when Napoleon was exiled to Elba. He said it wasn't exile. As. " I am France "

03:37:51 pm

Come to Florida get some rest. You will need it

09:08:50 am

Steve Bannon

Because their paying for it

09:24:02 am

SB

Lol. !

10:29:22 am

Chomsky asked format and location, his house, office or...

10:30:05 am

Steve Bannon

SB

Are you serious about a film?-- dead serious ?

02:02:39 pm

I like the idea. But will defer to you , if you think it is counterproductive. (I try not to have meaningful opinions about things I know little about.) In the Middle East, new players in saudi, MBS stronger than weaker. 😊 soon to be new ones in Israel. Defense cos , UN . Ag, dem committees here . ITs great. The chessboard, has many new pieces.

02:10:26 pm

Ny ag , going strong on civil. ie, do you think when asking for a loan at the bank he just may have exaggerated values.? 😊 . he's made some very bad iz decisions but none as bad as becoming president

02:13:58 pm

Steve Bannon

SB

That last is genius

02:16:03 pm

I told her unlike Stalins'. Show me the man and ill show you the crime. In this instance its show me the crime and its the same man

02:18:09 pm

Michael Cohen was charged with exaggeration , bank fraud . most people forget that exaggeration is a crime. When it has to do with loans . It comes in many forms. Value of assets. Number of condos " sold " . (trump soho).

02:21:51 pm

Steve Bannon

SB

If exaggeration is a crime trump is cooked

02:22:47 pm

Nyt Specifically, investigators are examining loans paid to Cohen's businesses by two New York banks in an attempt to determine whether Cohen "misrepresented the value of his assets" while obtaining them.

02:23:53 pm

Part of my dialogue this morning from Noam - Cultures unfortunately can be swept by craziness. Nazism for example. Or the Great Awakening. We're in one of those phases now. If there's a charge, it's true, in fact True. Any response is "mansplaining," another power play, reinforcing the charge. You've seen I'm sure what happened to Lawrence. Full and complete response, amounts to zero. Isn't even considered. It's like trying to discuss rationally with religious fanatics.

02:31:08 pm

On consciousness, my suspicion is that we'll never do much better than Russell's picture: what we understand with highest confidence is our own immediate conscious experience. The rest of our intellectual efforts (science especially) are an attempt to make sense of that (and in the course of doing so, instructs us that our experience is a construct of our internal modes of cognition acting on an external world that we (naively?) assume to exist. And it also tells us, I think, that consciousness is a thin and superficial fringe of an internal mental life that is inaccessible to introspection.

02:31:36 pm

Steve Bannon

Don't get the last sentence

02:32:18 pm

SB

Think about trying to define "culture". You know it exists, but is outside trying to "measure" - measure is science. Culture has norms memories. Transmitters (media). It has tribes, - self. That fight for survival. It can't be examined by reduction, ie can't find exactly where it is located

02:34:38 pm

Consciousness is a construct of the brain that allows it to tell itself a story that helps it survive. The important factor here is that when someone asked why you did . x. . the correct answer is I have no idea. but the human answer requires a story . Why did you choose to sit on the sofa ? Why did you walk into the kitchen. Why did you put your right shoe on first . Correct answer. , no fucking idea. , however each elicits a story that purports with ones ideas of what the answer should be .

02:37:17 pm

Think about the power of words , they mimic the power of adrenaline in the body, they are connected. . its so weird and fun.

02:38:26 pm

How long would. A film take from beg to end? Timing could be right as the hate trump will have either died or succeeded

06:22:00 pm

oo

Steve Bannon

If I started today (already in pre production) we could have a rough for you to see on 1 June -- be eligible for venice,telluride and NY Film festival--- I would make a 3 hour for Netflix but a one hour 90 minute theatrical for release and academy consideration -- American Dharma was in got in all 3 and played 2; I haven't told u yet but on Tuesday Robert Redford and Sundance are announcing another film about me called "The Brink" will be an official selection of Sundance -- this is cinema verite of me for 1 year with that brilliant young left filmmaker Allyson Klamon who made the film on I wei wei
