1858. Was the senate seat. 1860 the election. Two years in was 1862, either way Romney played it very well

12:04:02 pm

Steve Bannon

1856 was 'bleeding kansas' and the sumners beating

12:05:55 pm

Yes, you are right. , how is parcale allowed near the press?

12:07:32 pm

Steve Bannon

A total disaster , total---what did he do now

12:08:27 pm

"The truth is @MittRomney lacked the ability to save this nation," Parscale tweeted. "@realDonaldTrump has saved it. Jealously [sic] is a drink best served warm and Romney just proved it. So sad, I wish everyone had the courage @realDonaldTrump had."

Klown

12:10:21 pm

Serious idea. In your faith , isn't there a procedure for a " sheep thats lost his way ". A religious intervention ? Do you join Romney in his criticisms. -There is one marked characteristic, however, of sheep going astray which I must not pass by. They never come back by themselves. They are so silly, stupid, and ignorant that when they stray they never can find their own way back to the fold. The shepherd must himself go after them and bring them back, or never, never will they come back of themselves.

12:17:15 pm

Your book not mine

12:17:39 pm

Steve Bannon

Trump not a practiconer

12:18:46 pm

SB

But you and your base ?

12:19:03 pm

Im not sure you can stand by and have him denigrate the military guys. Mattis , mccrystal. etc. If my nose wasn't running , and I didn't sound nasal - I think I might be giving you a dare to be great speech .

12:23:04 pm

Steve Bannon

Agree agree agree

Romney just played an elegant move. Timing right. Move right. The pieces on the board have and will continue to morph, you need to be either in the game or in the bleachers.

12:25:19 pm

12:25:34 pm

I hate overused cliches. But- its clear to me -that if you, Steve, are not soon sitting at the table. You are definitely going to be on the menu

12:28:24 pm

And either served tartar. Or well done

12:28:50 pm

What Turner really sold was hope, which is the stock in trade of others beside pyramid sales pushers. Since his victims were usually "the little people," the guys who are always getting it in the neck from the system

Supreme. Court there will need to rule on whether a prime minister can continue to sit while under indictment

02:23:59 pm

Lets decide on YOUR strategy. That is more of a timely priority

02:24:58 pm

Your "instrument" is way out of tune. And you need to be heard. Mnuchin getting all his advice from Eddie lampert two goofballs. Krugman article wildly misleading. Team of smart responses. And principled positions.

02:27:22 pm

Steve Bannon

Eddie Lampert a fool

02:38:32 pm

SB

Yes,

02:53:01 pm

I go back to my original idea. 6 months ago. Donald should pardon everyone involved. cohen manafort gates. flynn, etc The Whole gang. He has the unfettered right. He will decide the timing otherwise the dems will slow drip him for months. Takes most of the air out of the investigations and say. This is bad for the country, his pardon power is unlimited. I am happy to discuss any plan that you have for yourself. I will be all the help I can, people that like you are in agreement. Your risk vs reward is not what it should be

05:33:01 pm
