Steve Bannon

If you do an interview it can't be like 'Johnnie does a utube'-- has to be amazingly professional and perfectly cut

02:17:38 am

SB

woody said he would help edit. not sure how to stage, what points to make. but better than trying to do an interview that i have no experience doing. goal to himanize the monster. anything written carries little weight. tomorrow the juxtopsion of michael cohen testifying while trump is with kim is wild

Now???

12:01:04 am

The idea is to get into the public realm the story that the girls used the agreement to get money fro them and their attorney s and only after receiving It they move to overturn it. Plus
