He thinks you should publish the names of the bad Chinese actors. And my foundation funds a competition on how to stop them in the future. 😊

Sheriff:: 1. JE never trafficked in women-- ever.This case was based upon 1 (?) woman.
2. JE never knowingly solicited sex from 'underaged' women--every woman legitimately presented themselves as 18 or older . 3. JE sentence given the actual facts are extraordinary-- he did over a year in jail, paid restitution directly to the women, and registered as a __ class sex offender-- anyone of which would be extraordinary, but taken together is incredible given the facts .
