Ok. I m aware you are busy. -however- Id appreciate at least -a proposed - schedule. Paris, ranch -island were all missed opportunities since April . I am focused on you WINNING! So no worries.
01:40:40 pm

Movement first. My Europe/ mideast schedule is getting cramped already
01:41:27 pm

Steve Bannon

We have to do a sked and we will but my crew doesn't think we are doing a film so they are out on other projects -- as soon as we get locked down you will be OVER sked !!!
01:44:44 pm

Helicopter pilot who crashed on NYC skyscraper shouldn't have been in the air, FAA says
Timothy McCormack did not have the required certificate that would have allowed him to legally fly in poor visibility conditions and rely on instruments.
