Help. I'm @ jury duty. U don't know anyone who can get me out do u? Use this phone as I left mine @ hm. Thx

02:36:18 pm

If you get me out, you don't have to get me the back up battery case.

Hi Jeffrey, I'm looking into Soon-Yi's 23 and me and was wondering what specifically you're looking for in her ancestry. All I could find was percentages of how korean she was, etc. No actual ancestors or connections were found
