Sorry Jeffrey, wrote very quickly, the plane was to go up. Will try clear. In check in stuff sayed that I can't go to New York without back ticket. It was last minutes, so I quickly bought first ticket I saw from New York to Paris and they let me in to the plane, but in the plane I received the message that this ticket is rejected. Can you please make sure that everything is ok, that I will not have problems in Moscow, thank you.
