So much fun, so thankful... The classes are amazing, so much new information, we had a guest at classes a well known gallery holder and on the last day we will visit established artists studios! New York is definitely my city, can feel here like in home...
So thankful for everything Jeffrey!

It's so hard to leave... I made such an important contacts in art field in one week, that in Lithuania would never would be met. It's definitely the city where I want to create my life. In Lithuania I can't see my career or personal life at all... And without help I don't think that I would get out from Lithuania... There are so much opportunities, so much happening and so dynamic. I'm very thankful for you Jeffrey for this opportunity, enjoyed every minute while here... Very Thankful
