I was in IELTS yesterday. It wasn't easy. Need to practice very hard. And I really want to learn and be fluent in English. Really need to be surrounded by English speaking people and take very good English lessons... I would be more than thankful if You could help me.

I really feel that New York is absolutely my city, if need I will fight for coming to live here, and can do anything, I have to make it... time is flowing so fast, don't want to miss my changes while young...So much opportunities in this city.

I heard that people are getting O-1 Visa not so hard, just need very good lawyer. I received very good lawyer contacts, who is getting O-1 Visas for artists.

Jeffrey, I would be more than thankful if You could help me for coming to New York to learn English and to Establish here...

Dear Jeffrey, if you could help with Visa for New York and while trying (probably it's not a short process), to not waste time, maybe you could help me move to London to learn English and work...I'm more than excited about this idea and prepared to work hard for the best results. Vilnius is killing me, not possible to learn here at all...I would be more than thankful if You could help me.
