Hi. I will be back in NYC Monday evening. Can we meet any point of time on Tuesday? Several important topics. I will be in London on Thursday and Friday. Do you think it would be possible for me to have an initial meeting with your friend in the B bank then?

I'll ask . I leave New York Sunday for Paris

I looked at the calendar and it's a bit complicated to get to Paris because of my meeting with my friend in London. However I will be in NYC on March 7th, and he will be there too. I think we have to postpone our meeting, but I do hope we can see each other in NYC then for a meeting with my friend. Let's discuss on the phone who else should be there.
