Have you had a bone density (DEXA) scan?
12:24:21 pm

[Redacted]
No

Let's get one. Want to see if you have bone density loss. Will have my secretary schedule it if ok with you.
12:37:51 pm

[Redacted]
Ok
12:38:46 pm

Harry Fish

12:40:04 pm

Your bone scan was completely normal. One less thing we have to worry about.

08:55:56 pm

HF

is there an estrogen level that you would say , yes take an aromatase? its possible that some of the reactions are to the crestor. and co Q 10 .

09:11:23 pm

Harry Fish

Your estrogen levels would need to be double what they are. I hate aromatase but maybe ok as long as your bones are strong. Let's wait a little longer.
