I said today that if Slovakia withdraws from Migration compact I will consider resignation. It's a breaking news all over the media. And it might actually happen. I might have to do it to protect my professional and personal integrity.

12:42:43 pm

[REDACTED]

The prime minister is still on your side?

12:49:57 pm

do I understand correctly that it is you vs parliament?

12:50:16 pm

[REDACTED]

Yes, the PM is with me. But the former PM and party chairman is pushing for withdrawal

12:51:10 pm

Parliament can only recommend to the government.

12:51:47 pm

But I will totally lose credibility if Slovakia withdraws and I stay silent

12:52:23 pm

[REDACTED]

Agreed

12:57:59 pm

More divisiveness. I guess better opportunity to be seen to unify?

12:58:59 pm

[REDACTED]

Maybe. And maybe another signal that internal politics is for me, at least not at this stage

01:00:18 pm

[REDACTED]

It seems people are trying to make the argument that strength is in opposition to humanity.. ? I assume you meant that internal is NOT for you. . (that's how wars start)

01:01:00 pm

[REDACTED]

Yes, you are right:) Not for me

01:01:50 pm

I called back, you have voicemail

01:24:07 pm

Feel free to call

Appears like a fun committee meeting. Breathe.! Think judicial demeanor. Don't let them get you to be emotional.

12:14:53 pm

If you decide to resign. Lets make the resignation powerful.

12:16:45 pm

[REDACTED]

You are right. I stay cool, only in reaction to MPs stupid statements I I got a bit emotional. But not too much.

12:18:11 pm

Thanks, if going then going in style:)

12:18:33 pm

But in general I'm surprisingly relaxed. I feel I'm doing the right thing. And there is a powerful positive reaction from people.

12:19:40 pm

Im not surprised. , I think your position is just. It is the explanation of it that needs tailoring. le Not on the table youre on the menu, is too flippant . You know your country. It wants to appear strong. Hiding from attending engenders the opposite I think you can make a great case that attending strengthens the country s hand. Hiding , running away from the issue , shows weakness and brings more trouble. . 😊

12:26:26 pm

Yes, you are right. I will stress that more.

12:28:04 pm

" Slovaks don't run and hide . We stand tall and say" We don't agree . Or nyet. Or Slovakia must decide what is good for Slovakia . Fun

12:32:51 pm

Fun:)

12:34:50 pm

I said many of these things yesterday in the Committee

12:35:22 pm

I think this issue helps frame your own decision making. Its not do you want to be president and what that means. , more and more it means. Can I stand to be around these small minded people

12:35:36 pm

Yes, exactly

12:36:44 pm

"I think Europe needs to get a handle on migration because that is what lit the flame," Clinton said regarding the rise of rightwing populists like Hungary's Viktor Orbán.

Clinton added: "I admire the very generous and compassionate approaches that were taken particularly by leaders like Angela Merkel, but I think it is fair to say Europe has done its part, and must send a very clear message – 'we are not going to be able to continue provide refuge and support' – because if we don't deal with the migration issue it will continue to roil the body politic."
