Progress?
12:52:38 pm

The issue no longer exists in the public space, which is good. Back to normal.
In London right now.
Former PM just called, wants to see me tomorrow, let's see what for.
12:55:33 pm

Never ends?
12:57:03 pm

I think it's about the presidential elections
12:58:20 pm

Deadline for decision. Is ?
12:58:54 pm

Early February
01:00:31 pm

As you said. , a lot can happen

01:00:51 pm

Yes, exactly. It's been happening lately:) I wonder what my current polls are

01:01:57 pm

And I wonder where my current. Poles. [redacted] and [redacted]

01:02:43 pm

01:03:18 pm

You know that sharing is caring, right?

01:03:48 pm

When do you leave London

01:06:55 pm

Tonight

01:07:16 pm

That's what I told [redacted] and [redacted]

01:07:19 pm

██████████

They are in London?

01:07:40 pm

██████████

No in my pool

01:07:47 pm

██████████

Your pools are definitely more fun than my polls

01:08:48 pm

██████████

With so much fatty tissue in mine. My pool is also going up

01:09:20 pm

██████████

Still more fun

01:10:42 pm

██████████

What did he want?

09:04:44 pm

██████████

The same. Presidential elections. He said the party needs to know before the end of the year. I said my answer is no. He asked me to speak one more time next week, I said let's do.

09:21:53 pm

I will tell him no again. If I said yes, they would not announce the party candidate. But the real deadline is February 7. And if I decided to run, I would be labeled as the party candidate. Now they will have to cope with my no and I still have time to make my independent decision in February.

09:24:28 pm

I still don't think I will run - unless there is a wide demand (as there was a wide demand for me to stay as Foreign minister).

09:25:44 pm

Ok, plenty of time.

09:26:02 pm

Yes. And being seen as this party candidate is a kiss of death.

09:27:12 pm

understood

09:27:48 pm

You are good?

09:28:03 pm

Empty. 😊

09:28:15 pm

I don't dare to ask which particular part of the body 😊

09:28:58 pm

Only air left
09:29:12 pm

Let's see if your Poles are better than my polls
09:29:53 pm

I don't mind mine going down
09:30:12 pm

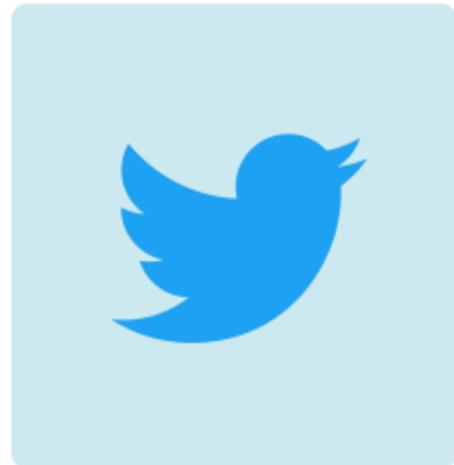

I don't mind mine going up 😊

Hope xmas is fun

11:54:20 am

It's OK. Finally getting some decent sleep. From tomorrow will be in High Tatras, skiing. You?

11:56:35 am

Peaceful. , calm before the democratic controlled storm

11:57:06 am

Yes

03:06:28 pm

Same here. Next week I'm going to say I will not be the party candidate for President. And after that I will see how strong is the demand to have me as a non-party candidate. I'm relaxed either way.
