[Redacted]

Yes. And on top of it we don't really know who if fighting against whom

01:00:50 pm

[Redacted]

Does ocse have a cyber division?

01:01:36 pm

Or a financial one

01:01:58 pm

[Redacted]

Yes, but not a powerful ones. But cyber is part it the OSCE agenda.

01:02:32 pm

[Redacted]

I think the definition of security needs an upgrade. Organizations focused on the physical . Frozen conflicts. , border disputes. Need add ons for this century.

01:04:10 pm

False flag operations used to mean a soldier wearing someones uniform , not their own. With computers I can bounce of 100 false flags in a nanosecond

01:05:32 pm

[Redacted]

You're right. This could be my legacy if I succeed to convince the organization we need to change the understanding of security and security threats

01:08:27 pm

Exactly . The miro doctrine
01:08:56 pm

I will try
01:09:32 pm

Although I know how inflexible the international organizations are
01:09:59 pm

You don't want to be in the propeller business when jets are the new means of transport
01:10:43 pm

I always describe crypto currences. As complementary not alternative.
01:12:05 pm

My guess is that if you started a new subset of your current org. It would eventually take over
01:12:47 pm

Radio theater -- television radio - computers. Television
01:13:27 pm

Yes, I agree. Launch a new dimension of work that will eventually take over.
01:15:08 pm

If you set it up correctly. You could continue oversight even after your chairman ship is over
01:17:36 pm

It will eventually be the place of the real power

01:17:53 pm

o

Very good idea

01:18:46 pm

Mid next year is the election of the OSCE Secretary General

01:19:15 pm

Wow

01:19:40 pm

These issues reflect the science progression. From the early 20th century physics mid century bio. And 21 st century. Information . They are each a form of warfare. And now they are being used in unique combinations

01:32:01 pm

Next is personal level. So attacking only blue eyed people becomes possible. Or those with jewish genes . Also soon possible

01:33:19 pm

o

Crazy

01:35:37 pm

o

What is the details for boston? Location time?

10:02:05 pm

o

I'll send you an email tomorrow morning

10:03:53 pm

I don't have it here

10:04:06 pm

I still go to Baku before

10:04:24 pm

How do you fly to boston? commercial?

10:05:11 pm

I go there by train around noon, have program between 17.00 - 20.00 and take the flight to New York at 22.00

Not nice. Someone desperately tries to keep this open and alive, as I see.
05:22:39 am

[Redacted]

Yes, can we spend Saturday morning together. Lots to think about
12:51:06 pm

[Redacted]

OK, with pleasure

[Redacted]

Just landed.
What about 10.00 or 11.00?
01:18:59 am

[Redacted]

10
01:47:26 am

[Redacted]

Will be there
01:48:16 am

[Redacted]

Or even earlier 930 if you like
01:49:41 am

[Redacted]

OK
