Met with my NATO Ambassador last night. The offer is serious, I seem to be the best candidate for the job (not the only, though). Should have an interview before the end of June, decision to be made in July.  
So I have to start thinking seriously whether or not I'm going for it.

Alternative?  
12:25:24 pm

A vague offer from the UN (I will forward you my conversation with A. Gutteres). And an offer from Terje to create a position of Secretary General of IPI for me with a view of taking over from him in 5 years. But he doesn't have the budget for it yet.

12:28:21 pm

No to ipi

12:29:23 pm

I thought so

12:29:41 pm

careful of old man thinking. look forward not backwards.

Yes, there are many question marks about his proposal

[REDACTED]  
no, I mean , it wasn't ok let meet to find something. again instead of passive I think you need to decide what role you would like and ask for it or create it.

12:57:02 pm

I know it would be better, I chose this way out of respect for his busy schedule

Yes. Exactly. But I have to think what the specific thing would be. Right now I don't know. But I will look into the system and try to find out something.

The issue of nato eliminating any chance at SG . needs to be considered. And the lack of open positions at the current UN. needs creativity
