11:04:51 am

Will spk. To agree. How can u help to arrange financing at corporate level ?

12:00:14 pm

Workin on arranging upto 750 mill usd at personal level against listed shares as security and pic structure 5 yr money. How can u help.

12:15:59 pm

Value of listed shares? Loans are difficult. Other structures should be considered. . I assume listed share history is not pretty. . more like guarantees. Sale buybacks. Options in stead of pic. etc

02:52:23 pm

Pic structures are also complex for tax purposes.

02:53:00 pm

ie sometimes taxable upon receipt , but no cash. To pay taxes . Letters of credit . tokens. Spacs spvs more today than yesterday

02:54:59 pm

Thanks. Will think. Is thr a ibank or investor group i shld be talking to. Currently varde lonestar brookfield.

03:01:37 pm

Depends on the specifics of the assets .. use of funds. And how specifically the assets are secured.

03:03:20 pm

I banks will not do personal.

03:03:49 pm

And I would avoid any mention of that with anyone

03:04:14 pm

Anil Ambani

Thanks

03:07:06 pm

If I were you I would prepare a structure that others can swallow. Structure is as important as substance , if not more so. Money into the right entity structure , is much easier that a carelessly put together one. I am happy to help. No money for me. I have enough , I like friends. Like sultan . You can ask . I don't do things for money. , I make my own

03:46:08 pm

Anil Ambani

K. Thanks.

03:54:34 pm

And in the us. The tax consequences need thought

03:56:00 pm
