JE
Your last CT was September 6, 2016 non-obstructive clock involving the left anterior descending (LAD)

Should have a follow up stress test this October

I have terrific weekend coming up

Do you mean Rogosin institute
Excellent
Why not?

Options are
Diet Ex
statins
Tricor
Zetia in combo
PCSK9 inhibitors

Let's hear what they say in view
of your side effects with Statins

sept of last year.

11:24:25 am

Im going for a treadmill test for my back this morning at cornell

11:24:42 am

Rony Shimony

No need to repeat the CT then

let's do a stress echo

11:25:31 am

Have you considered PCSk9?

Are you still taking aspirin and some dose of Statin?

Get new bloods
