I'm supposed to go for an mra for my spinal stenosis. Should we combine it with something else
11:59:28 am

OC

Rony Shimony

The protocols are for spine but ask them if they can do the abdomen and pelvis The same time

12:01:08 pm

RS

we can get the liver spleen pancreas kidneys prostate etc.

12:02:00 pm

not the heart ? different protocol

12:04:43 pm

?

Rony Shimony

Yes

But can ask if they can do chest and heart the whole body I don't think you want to be in the machine for an hour and a half ask what they can do

12:05:46 pm

RS

To the abdomen pelvis specifically pancreas it's better than ct
