2018/07/30

You awske?
12:09:21 am

Rony Shimony

Sure

At dinner

Tell me

12:09:52 am

Bad indigestion. I took a celebrex this afternoon- first time . After hamburger bad pain behind sternum . At [redacted] suggestion went to emergency

12:17:55 am

Rony Shimony

RS

Calling u
12:18:19 am

[Redacted]

Ekg ok but bernie wants a cat
12:18:22 am

OC

Rony Shimony

Text me the ECG and yes set up for a CT of the Coronaries
I just want to make ECG is not acute before you get injected fir CT
12:23:58 am

RS

Jeffrey ECG is normal let's do the CTA and talk right after
12:31:41 am

[Redacted]

Ok
12:34:27 am

OC

Rony Shimony

RS

JE
await CTA results
01:45:11 am

[Redacted]

I feel better. Shitty food When do you leave for greece
01:46:05 am

OC

Rony Shimony

RS

Tuesday pm
01:47:13 am

██████ told me to have the ekg , so I did .
01:47:14 am

Terje is really excited
01:47:26 am

Celebrex?
01:48:07 am

Rony Shimony

Smart ekg and CTA

We're really excited to see him /Fam and hang out in shorts and T-shirts

Gonna miss you

01:48:10 am

No worry as long as the cta comes back clean I'll still be around when you return
01:49:10 am

:)
01:49:23 am

Rony Shimony

Absolutely I just want to wait for the final read before going to bed

01:49:35 am

Th x
01:49:41 am

Rony Shimony

RS

Please start taking the injections for the LDL...

01:49:55 am

I v e been doing a rony taking crestor twice a week

01:50:58 am

Rony Shimony

I'm happy about that better than nothing let's get to target
we all got to stick
a lot more work left to do

Going to be with TRL for 1-2 nights

01:52:23 am

Seriously consider taking the injections twice a month you will not believe the levels
were getting the data is very favorable no bad reporting just significant cardiovascular
event reduction

01:53:00 am

They are communicating with me and sending the report

not going to bed until I know you're all good

01:59:31 am

Thx

02:00:07 am

Rony Shimony

I've made arrangements for you for tomorrow I hope first thing in the morning I'll be in
touch with you soon as I know there endoscopy suite schedule communicated with
best attending who does the endoscopy at Sinai

02:35:27 am

RS

Have to make sure there was no foreign body stuck there
02:35:49 am

[Redacted]

Thx pal. Wouldnt i have trouble swallowing?
02:36:19 am

OC

Rony Shimony

Can be very small and stuck in esophagus

Be prepared to meet me around 8:30 at sinai
but I don't have confirmation on time yet

Liquids until midnight then nothing see you tomorrow
02:37:18 am

RS

Before we say good night the senior radiologist Steve Wolf review the film doesn't think
much other than gastritis is going on we will take to look
Endoscopy -want to be sure especially re: esophagus
tomorrow morning no worries good night
03:11:27 am

[Redacted]

Badly swollen eyelid needed to take 32 mg medrol
09:55:09 am

OC

Rony Shimony

RS

Ok

I'll know Re endoscopy timing and get back to you
10:35:53 am

[Redacted]

thx
10:36:30 am

no issue with endoscopy after medrol?

10:36:54 am

oo

Rony Shimony

it's fine

ps expecting routine endoscopy
no worries

10:38:56 am

RS

ok

10:39:08 am

Can you tell them im ready to l

02:32:45 pm

oo

Rony Shimony

I spoke to Francine the head person up there right after you're in basket be that you
can be discharged the nurse can call me directly

02:35:26 pm

RS

Just finished. All good thx much for your helpp

04:40:06 pm

oo

Rony Shimony

Sure thing

04:40:32 pm

RS

2018/07/31

kruger said he wanted another cat scan in 2 to 3 months. ?? 1 some fluid story
. thoughts. .

Rony Shimony

Reasonable

very low radiation

12:00:53 pm

Very Low Suspicion for significant pathology

this should be a noncontrast study

have a good day we will send you a pic from Paxi
