Ken Mapp

Good afternoon; question. Would you be open to/ interested in lending the GVI \$275M at 4.75 - 5.25%, pledged revenues as security over a 20 year term?

KM

I may be back in territory next week . Let's discuss . How taxed ? Sinking fund ? Other collateral , ? Land , ? Use of funds ?

10:57:00 pm

Ken Mapp

If you have the appetite, I'm ready to discuss. Estimates 130 working capital 145 fixed capital projects. Debt service reserve funds and other fix security, land etc.

KM

10:59:57 pm

How am I taxed on it

11:00:39 pm

Ken Mapp

Coffee, maybe subject to your EDC certificate. If we did a pvt placement bond, a greater portion would be triple tax exempt
