If you on the first place don't want to help me find a job, why others should ?? Why ????

12:42:13 pm

because they don't have a history with you of not living up to any agreement you make. they don't know you will let them down. you need to start with people that not know your inability to keep your word

12:43:19 pm

Mort

If I learn how to keep my word would you help me ?

12:55:09 pm

you have asked this ten times and promised more than that each time you find a reason to break it

Mort

I break it because I don't know how to do it

Mort

It was a joke.

11:08:19 pm

I'm not able to do things without a vision in my head. If you told me " look, you have to do this job A because it will lead you to this job B" I would do it immediately without hesitation. Having to get a random job not knowing why and where it's going to lead me brings me in a total state of confusion

11:18:58 pm

I understand it will teach me discipline but where is it going to lead me if I work in a random place like a restaurant ? Where is the vision ??

Interns: "Be a current full-time student and have completed at least 2 semesters at a post-secondary academic institution"

The screenshot shows the mobile interface of the Global Internships website. At the top, the status bar displays '3 ITA', '1:36 AM', and '20%' battery. The website header includes the 'intrax Global Internships' logo and a hamburger menu icon. Below the header, there are two sections: 'Age Requirement' and 'Education'. The 'Age Requirement' section lists 'Interns' as '18 years old or older' and 'Trainees' as '20 years old or older'. The 'Education' section lists 'Interns' as 'Be a current full-time student and have completed at least 2 semesters at a post-secondary academic institution, OR be a recent graduate able to start an internship program within 12 months of graduation date; all obtained outside of the U.S.' and 'Trainees' as 'Have a degree or professional certificate from a post-secondary academic institution AND at least one year of work experience related to field of study, OR have five years of work experience related to field of study; all obtained outside of the U.S.'

My friend did a 1year internship in NY before getting a degree and got a J1 Visa and told me to apply in this website. They say: "Be a current full-time student and have completed at least 2 semesters at a post-secondary academic institution"
