you ask me , i give you my advice, and then you decide , again and agin and again to ignore it. please don't waste my time , you ask , each time i spend time that i can be doing other things talking to you, and then you do the same as before you talked. . silly , useless , and still unchanged

10:47:45 am

I don't understand what you are saying. I've been sending emails over emails for jobs and I'm still looking. You blame me because I have high expectations and you don't want me to come to NY

10:51:41 am

M

more whining I am at the doctors office. , sending emails to fashion co that have no interest at al in hiring you is not what i suggested , but you know that , you just want to make believe

10:53:44 am

10:56:06 am

o

And then ??? Where this is going to lead me if I work as a babysitter ?!! To which job ?

10:57:18 am

If I start in a fashion company at least I can grow in that field. I have a direction

10:58:04 am

1212 5333739

crags list has many jobs available , your wanting to dream to make money. when i told you to become a personal assistant , you said you didn't want sets life. it leads to other jobs. have said the same thing over and over, no job , leads to anything known. it leads somewhere and that somewhere is better than where you are now

10:58:06 am

do as you want. just don't ask me for advice , not take it, and merely waste my time

10:58:44 am

your ideas like your friends are silly, .

10:59:03 am

o

I need a direction. You don't understand how lost I feel

10:59:23 am

1212 5333739

i do , very much , I'm sorry that you lie so much, I m sorry that you ignore all advice. Im sorry that you refuse to follow directions. Im sorry that you wasted so much money of mine and time of yours

11:00:29 am

o

I think I should really kill myself since I'm so useless

11:14:35 am

Now I'm going to the airport to go with people I don't want to see and wasting money I don't have. So stupid
