[Redacted]

Sure
11:01:22 am

Yes, I took one small towel to wrap the wine I bought, it's not an excuse, I just did bad Personal care products as a deodorant, because we thought, it was for us and after us no one could use it like toilet paper
Except that [redacted] took pajama pants, she said you like how they looks on her and she thought she can take them
's bad that we took these small things that have greatly affected our reputation it would be better if we asked

03:25:39 pm

[redacted]

OMG!!!! WINE?! Towel? Pants...Does she have anything in her head?! So dumb. I asked her several times were there anything else, clothes, etc. but she didn't tell me this. When we have been at PB first time, I told her that she couldn't take any beauty products from the house, but apparently, she forgot or even didn't pay attention.

10:39:48 pm

Well, now she determined to find a new one,... to make reparation

10:43:50 pm
