I would ask yourself , what have I done , given to Jeffrey this month. Did I learn new things. Try new things. Bake a cookie. Buy a cookie. PROACTIVE>. I know you can do better. But I am losing my patience. I will pay for school as promised. No worry, at all. But I am disappointed in your lack of gratitude
09:05:49 am

Jeffrey dear! I am very very grateful and you know that! This month I also did my research for new girl, I'm just not telling you, because I don't want to underpromise something. There s one girl that is coming in a couple weeks.I want to try to introduce her. And I always keep asking what else I can do for you!:)
11:47:42 am

I don't see you so often Sir to have more opportunities to try new things or do something for you with my physical appearance. I brought you [REDACTED] and [REDACTED] but it takes time to find new good girls. I also would like you to know that I am very grateful for the time you spend with me , for our conversations and for that great energy that you give to me. I really appreciate those moments. 🙏

12:14:46 pm

I understand. . however I am trying to guide you to success. If you ask what have you delivered done provided , massage class food. Fun. In the past month.? Not a happy answer
