Jeffrey, you are right. That lately I didn't send a lot of pictures. I can't justify myself but I would do everything to fix it if there is any opportunity. Im sorry for making you think about breaking agreement  
I always followed what you say , even if I couldn't do something I tried and keep trying. I ll show you that you didn't make mistake with me. I understand the whole situation and will do everything to recover in your eyes
