Been asked to write a short article on the hospital of the future in 2030
12:10:37 pm

Any thoughts

12:10:41 pm

more like drones. doctors in one location patient in another.

12:30:24 pm

tests done at home. blow into app. scan at home. . like fax machines. changes city dynamics . .

12:31:16 pm

How change city dynamics?

12:31:50 pm

Is it like we used to go shopping at the mall vs online shopping kinda thing

12:32:12 pm

more than that . yes, but no need to be in one place. i think uber for doctors is next

12:33:29 pm

What about all the diagnostic tests

12:35:18 pm

Micro mobile nana

12:35:35 pm

Nano

12:35:37 pm

Can you think of any catch phrases or ways that might resonate w ppl

12:36:19 pm

Oh man FYI

I really want to go work for Elon musk such cool stuff but I think he might IMPLODE soon. Plus run out of money for all his ideas

12:37:02 pm

More like neural lace telemetry

12:41:08 pm

Way cooler

12:41:15 pm

I guess it is like inflight fly by wire
