Bill met my friend Kathy ruemmler , Obama counsel for 5 yrs . She would love to sit with Melinda and give her the other side of jeffrey
08:19:44 pm

Can try, couldn't hurt
08:27:19 pm

██████████

Hillary loves Kathy as does Obama. She is an arch feminist who is my great defender

08:28:50 pm

o

██████████

Not sure individuals can influence once impressions are made. But I will try.

I do not know for sure but I do think he would be unwilling to Bring it up with her.

08:33:36 pm

o

(Empty message)

08:36:53 pm

She's 45 and is in Seattle often

08:36:53 pm

o

██████████

Me too.

08:37:17 pm

What a coincidence ha ha

If there is a reason to meet other than to discuss you that would be compelling I can try directly

To Melinda's office team I know some of them.

08:38:03 pm

I probably would have to meet this person first since her team doesn't usually appreciate second hand introductions

08:38:27 pm

o

██████████

Ok

08:38:54 pm

o

They also feel like they find the ppl they want to speak to and not vice versa

Or at least that's my experience firsthand

08:38:57 pm

Poor B

08:39:07 pm

If there's an opportunity to promote something specific I can propose to her pivotal ventures team.

08:39:54 pm

Have been thinking that o bet there is a way to make her feel great and maybe a little happy if there was a like female TED that she could be the patron of - folks would love that and it would allow her to be at the center of some Powerful agendas that she cares a lot about

But not sure she's up for it or even how to do it

08:55:35 pm

Like maybe a legacy

"I'm with Her" that she and Hillary Clinton could co own and build out over many years

08:56:29 pm

They could brand and sponsor cool stuff and empower a lot of people

08:56:44 pm

None of my business but I think there's enough happiness out there for everyone
