06:30:30 pm

Also good

06:30:31 pm

GENIUS IDEA

Now to convince bill

10:35:05 pm

Do you think there is a way to do this really well and also get something for BG? Like if we say do this and the admin will keep PEPFAR or something like that

10:36:02 pm

[REDACTED]

yes and more

10:36:25 pm

its a deal

10:36:34 pm

thats what he likes

10:36:39 pm

he said malaria and polio not an american problem. climate change and eboloa not a american problem nor is clean water or genital mutilation. he thinks bill should stop trying to scare people .ike chicken little.

10:37:46 pm

o

PEPFAR is HIV AIDS

10:40:26 pm

o

aids is partially an american problem. as is drug abuse. .

10:40:36 pm

o

OK let's keep thinking  
BG likes deals too

10:40:51 pm

PEPFAR was a george bush/republican thing

10:41:13 pm

It's the only one of the international health things the republicans all seem to support

10:41:35 pm

Trump even kept the obama person running it

10:41:43 pm

If he could be convinced to keep PEPFAR as is in exchange for cyber i think we would all win

10:42:16 pm

o

bill needs to focus on american problems first and foremost , if he wants deals. he can also portray certain worldwide initiatives as buying american drugs etc. IT MUST have an american component. donald says it is childish to count the lives at risk in africa and make believe you are doing something for america. or pakistan afghanistan, etc. he points to 8500 killed in chicago vs 2500 killed in afghanistan over the past 10 years.

10:44:41 pm

oo

I understand

10:45:00 pm

Bills advisory team at fndn all pushing in other direction

10:45:23 pm

At c3 I can try to reposition  
Just until I get thrown out

10:45:37 pm

Wish there was a way for him to have a real  
Conversation

10:46:01 pm

oo

I sent bill a note to suggest he talk to lauder. donald also thinks bill wants not to help america first , he should use his own money, and even that is wrong as it was made here. just transmitting

10:46:10 pm

oo

I think trump should enforce tax laws and now allow gates fndn (American) to spend money overseas tax free

10:47:19 pm

oo

[REDACTED]

number of lives saved per dollar amount is not in donalds mind. it must be american lives saved. and yes, good idea on tax

10:48:10 pm

oC

[REDACTED]

Right now there are funny loopholes we figured out how to exploit

10:48:31 pm

Like exercising expenditure responsibility on foreign grants so we could still count as charitable

10:48:50 pm

Or giving to UN or international orgs but earmarking for polio etc when not a single dollar ever benefitted USA

10:49:15 pm

I know where all those loopholes are bc I helped find them

10:49:28 pm

oC

[REDACTED]

understood I am good at that , however bill should be careful very careful as donald could make an example of him using american dollars to help other than america which really needs it. careful

10:49:29 pm

oC

[REDACTED]

Understood

10:50:22 pm

Let's make a deal for a few months To push cyber and then get out and help trump make examples and do better stuff

10:50:57 pm

BG has already made too many commitments and he did it based on his foundation but counting on leveraging and influencing us Gov't

10:51:45 pm

If the tax laws are enforced and he is forced to pay on his own and has less, lord knows how he will react

10:52:09 pm

But - cyber is a "let's do now" thing

March 15

I see BG next Friday

10:52:32 pm

cyber is great

10:52:54 pm

Have to act quickly

10:53:50 pm

yup

10:54:03 pm

you might want to attend kruase conference in tucson on 26th . i can organize
