it's not just my imagination! There are so many reasons! such as opportunities! I have no money now to live where I want and do what I want! how is it not clear! 😊

07:05:06 am

And this 1 of the reason why I chose red or pink

07:05:22 am

I learned English in Russia myself, some time ago! I'm really not interested in living there now!

The only thing that surprises me is your refusal to grow up . Money can be earned in many places and ways. You prefer to focus on what you don't want instead of what you do
