Jeffrey. Merry Christmas and Happy New Year. My guy here is working with Jim. We are still trying to get our teams organized here. Elections are in September. It's moving a little slowly at the moment but hoping to step up activities after new year. Warm regards. Waheed.

Also I need some more support from Osborne. We are talking to Rory and he's been helping on and off. I need a full time person here in Maldives to work with me on communications. It could just be a clever graduate student who can write stuff for European media. Appreciate your continued help. Thanks and best regards. Waheed.
