I'm easy  
10:10:15 am

I'm trying to cancel my tomorrow meeting. So you can fly with me . My new York sec is still sleeping, either way if your guy is coming from lille there are many early morning commercial flights , if Steve requires

10:14:19 am

Sean Bann

Steve wants to meet with you so I think a flight back with you might be better so y'all could talk. Are you looking at leaving tonight or just tomorrow morning?
