FRESH ALLEGATIONS AGAINST PRESIDENT TRUMP OF SEXUALLY INAPPROPRIATE BEHAVIOUR REVEALED IN DOCUMENTARY ON BBC WORLD NEWS

BBC Panorama – Trump: Is the President a Sex Pest? is scheduled to air on BBC World News in the United States and Canada for the first time on Saturday 21st July at 10:30 AM ET and on Sunday 22nd July at 4.30pm ET.

A BBC investigation to air on BBC World News this weekend has found more people who have accused President Trump of sexually inappropriate behaviour.

Panorama has spoken to those who attended Donald Trump parties in the late 80s and 90s – when Mr Trump was in his forties.

They say the President hosted and attended parties where middle-aged men would prey on very young women. The White House hasn't responded to the claims.

Panorama has been told there was alcohol and cocaine at the parties and that some of the models were as young as 14 or 15.

There's no evidence that Donald Trump had sex with underage girls, but the program has been told he did pursue models in their teens.

Barbara Pilling says she was 17 when she was told by her modeling agency to go to one of Donald Trump's parties in New York.

She's never talked publicly about the party before, but she says the future President hit on her.

"He said how old are you, and I said 17. He goes oh great, so you're not too old and not too young. That's just great. I felt like I was in the presence of a shark getting ready to roll his eyes back in his head and bite me, you know, that's how I felt. It was just like get the hell out of here.

"I remember one of the waitresses offered him a drink. He didn't take the drink and he slapped her bottom. She was a blonde. He gave her butt a slap and he was very loud. He was like, don't worry that's not your tip."

She says other models at the party were also talking about Mr Trump's behaviour.

"So I went to the washroom, and I was going in and a girl was coming out, and I go have you talked to that Trump guy, you know? She goes yeah, as I was walking by he's like trying to grab my ass."

A man who attended several of the parties, who didn't want to be named, told *Panorama* that wealthy older men went to the events to have sex with young models.

"There was a lot of cocaine around, there was a lot alcohol. There were all older men these were guys who could easily be their fathers two times over, and you had men in their fifties, sixties on up. It was kind of like a feeding frenzy. The girls were there as consumables"

He says that Donald Trump was notorious for his behaviour with young models at the parties.
