I really sorry that I disappointed you, feel so bad about it, I don't want it to be like that
I wanted to tell you everything on arrival in Paris, I even told Elina about that and I
know she never lies to you

About Grand Canyon, I didn't plan it like that...

I don't want to go to Hawaii in this situation, much more important to me is your faith
in me

I really want to do something for you and be useful

11:35:41 pm

At a minimum . I would have expected. Jeffrey , this is exactly what happened. the full truth . It will be painful for you to admit. Then - assuming you actually tell the full truth. I promise it will never ever happen again. And what can I do to make up for one of the dumbest things I have ever done my entire life

11:37:48 pm

To be clear. I have not decided whether or not I will ever speak to you again.

11:38:27 pm

The full truth is it happened and I was scared to tell you about it, because at the moment I didn't know what really happened
Now I understand how silly I'm
I promise it will never ever happen again and I gonna say full truth about every my step
I don't want to lose my dearest friend and will do everything to make you happy
