ok, advil. 5 days. plus anti bionics.

09:52:37 am

it takes approx 6 weeks to be totally safe. you must chew your food in the front of your mouth . you do not want anything to get stuck in the holes left by the pulled teeth. .

09:53:34 am

Haha right, I only can eat baby food or something I don't need to chew 🙏

09:55:00 am

And they gave me a bunch of pills

09:55:28 am
