??? Her visa issuance is the main limitation. Needed to know which countries required her visa...  
06:51:34 pm

She's narrowing that down. Poland has different rules - seems a bit harder  
06:51:59 pm

She's checking on which countries she can get within next week(s).  
06:52:44 pm

M

Once she figures that out you can decide from there

Philippa Sigl-Gloeckner. She is pretty incredible, and tough. She single handedly re did the entire corporate budget - in 2 days.

01:12:15 am

She also hacked the intl geocoding site just to prove it wasn't un-hackable

01:12:51 am

She got the perfect score on the GRE and wants to go to Biz school next fall. She's 23.
