01:39:08 pm

no worry if not
01:39:17 pm

i sent you the medical journal article that describes your skin condition , the word idiopathic is a medical term for "we don't know why". stress is a factor as are many other things but no real cause , as you can see paracetamol was the trigger in 50 percent of the cases. but not all .

01:44:34 pm

at ten years old your sister will see the same words re the little prince but will be unable to tie it to life experience which you will now see is quite a different story

01:45:41 pm

BTW if you decide your relationship is not what you want, I will gladly pay for full time school

04:03:43 pm

09:37:36 pm

oo

2019/05/23

Sorry to be clear . Your relationship meant travel instead of study . If you decide its time to begin education ill help with money. Romance is none of my biz

12:25:54 am

Thank u , Jeffrey.
I get it .

02:08:15 am

Btw should I read " little prince " in English ? (I feel like it shouldn't be difficult) ?

02:08:59 am

Yes. In fact you will learn more if you read it in both English and Russian, . The idea that most people only read a book once is as silly as hearing a great piece of music only once. No one says no reason to hear Beethoven symphony, I already heard it.

02:13:05 am

👍 1

Wonderful example !

02:14:06 am

And for example in the quote I sent you it uses the English word. (translated from the original French). "Tamed ". Idont know what the word will be in Russian or how you will react to it. Tamed in English is usually used for animal trainers. Whose job it is to take the wildness OUT of the beast. . that's not what the author really meant . He meant cared for , devoted to. Trained and cherished. Accepting the wildness and riding it

12:03:09 pm

12:19:26 pm

12:20:52 pm
