Are you going to see shifirin for shots this week or wait until after Europe?

03:37:19 am

After reading rich dad, let me know if I should tell the doctors ( ultrasound) that you've decided to wait

09:54:32 am

How is Mexico ? have your decided your travel plans. ?

04:38:54 pm

oC

I had an appointment with him on Tuesday - but I cancel it cause I will be working out of NY , I want to try to do it before Europe ( but it's depends when I will be back to NY )

07:28:20 pm

Sorry, that is super silly, there is nothing more important than getting your health in order. . you should get yours shots . And a full blood test. the sentence is backwards. Its does not depend on when you will be back it depends on what you decide to prioritize. ( I told you , our agreement means I tell you the hard truth ?

07:52:55 pm

Knowing what is right , is easy , doing what is right is the hard thing
