11:50:43 pm

?

11:51:15 pm

11:51:34 pm

01:12:05 am

In me. :). Photo?

01:15:28 am

U should know me already

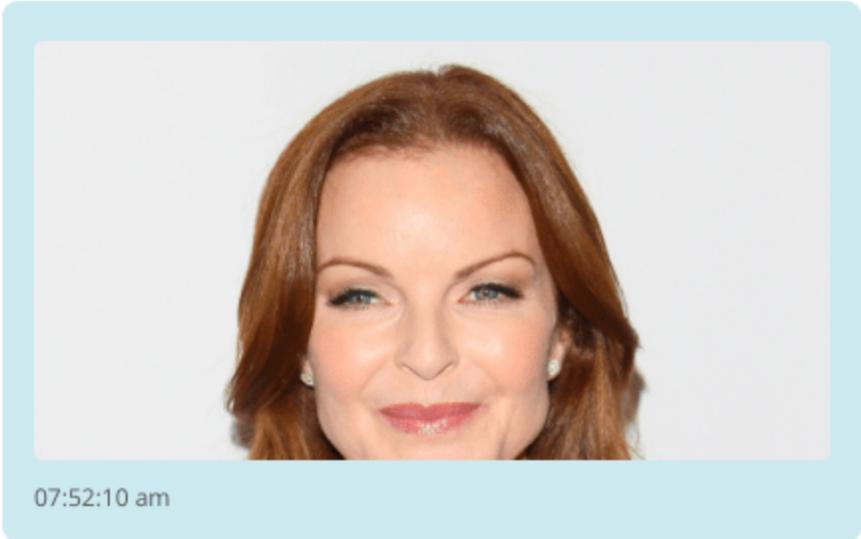

02:03:39 am

I do , that's the problem. You are a good person. Great potential. / . lazy , you feel more comfortable taking. Rather than giving. Took money from me for dr. But didn't go. . Instead of doing things , talks about doing. And is wasting what could be a great life . . reading but not learning. , learning involves doing , we talked about the difference. . instead of sending a photo of a smiling happy face , you send more words. Instead of dedicating yourself to getting and education you sit in Mexico. Getting sun. I only wish you well. Good luck
