I love whining....

Didn't you like it?

I have of course NOTHING to do with it. But I really loved it.

They often ask me if I feel more French or Spanish (French mother; Spanish father) and I tend to say a bit more french. But when I see something like this the my Spanish side completely sprouts....

This is not whining.... it's demanding....

I love the fact that they found her on the underground singing the song.

Look at her face. How nervous she is.... how happy she is when she "achieves" it....

And when the FBI finds him after 15 years they ask him (before releasing him) "what can we do for you?"

He doesn't say "get me out of here", or "that that woman killed" or....

He says.... "please.... can you ask her to talk to me...."
