Phony war. I wrote back. Joint research homeownership family—best books have several chapters and happy endings. Was coming to look at London real estate. She asked whether I got Bank of England job. I said no wanted to with her. She said much changing not making hasty decisions. We spoke on phone. She mainly interested in her negotiation re becoming full prof.

Complex lie. She is saying. Needs space can't think about next chapter given parents.....I said I'm ignoring and she can ignore me when I come if she wants.

Larry Summers

She just writes about her book. When I make clear serious re next chapter she puts off. Think I need a generous act w a cut off of communication s strategy. My shrink says she wouldn't be here if she was capable of sustained relationships.

02:17:51 pm

LS

nonsense. She would nt stand on the pool steps if she knew you wouldn't let her drown . .

02:59:11 pm

Your shrink would say she wasn't capable of swimming

02:59:30 pm

oo

Larry Summers

Don't follow analogy.

03:19:58 pm

Don't follow. 36 years old. Beautiful. Never had a bf who lasted 2 years before. Something off re intimacy dependence I think.

Silly, she's smart. And confused. They go hand in hand

03:46:51 pm

If you like I'm on 011 331 441 70210

03:47:06 pm

Also tell me what experience your shrink has with Chinese girls

03:47:38 pm

oo

Larry Summers

Probably not lots for my shrink. I m just frustrated which is a silly basis for doing things. I think she is unlikely to get unconfused and therefore likely always to be frustrating. What am I missing.

05:07:57 pm

LS

1212 5333739

If frustrating is defined as doing what you expect. Luckily it will continue. Trick is to what degree

05:10:28 pm

Don't follow these pearls of wisdom and am suddenly feeling very fed up with this adventure.

Marvin minks said the way to lose weight was to enjoy feeling hungry. What I mean is that they are all non rational. As you and I are very used to getting our way. It should act as a reminder. That unpredictable is part of life. Mentally Stamping your feet, in a fed up tantrum. . is sort of cute

10:06:51 pm

And there has been no deed to date. Only talky talk

10:07:28 pm

Larry Summers

Yes yes. I get this and am thinking about deeds. I can get past all the stupid stuff. I just as I reflect am saying why won't she always be a confused ambivalent mess and will that make me happy. I think today I ll be happier w Lisa and looking for problems to solve or things to think about. She will always be roller coaster. Who wants to get old w that?

10:11:04 pm

Think time out time. I'm getting more annoyed each time focus is 100 percent on her next speech.

10:11:53 pm

LS

1212 5333739

You lean towards feeling abused and victimized. I get it. Stick to the plan so you don't look back and say, I should have.....

10:15:15 pm

Roller coaster or carousel. Always the issue

10:44:24 pm

Larry Summers

LS

I will stick a bit but I thjnk signals from other side increasingly clear

11:10:30 pm

1212 5333739

If you don't have the heart . Make the punishment clear. You need to ask her to do something for you. When she refuses. If she refuses. , you can say , enough is enough. , this isn't a friendship its a one way street. . and you have decided not giving you what you need. So good luck .

11:15:18 pm

Ehud said that Bibi won the election because the other guy , didn't really look like he wanted to win. Nothing more nothing less

11:16:09 pm

2019/04/21

Larry Summers

I get point of Ehud story. I will persevere w zero whining for next 10 days. See if anything happens other than econ discussion then will announce arrival in London and see what happens. If nothing will say I'm fine b
