No joke. I thought apparently unreasonably that I was allowed to share a genuine injury and get a bit of sympathy. Probably was testing a bit. She failed

You and I agreed I thought that you wouldn't send anything without review. . I don't think you could have sent anything worse. To continue with my badly formed football analogy, I forget the exact name of the famous player that ran the ball into his own end zone. Wrongway but it is the only apt analogy I can think of

03:00:26 pm

You showed. Extreme fragility , weakness , age insecurity plus all the other terms that go along with it.

03:01:42 pm

but I recognize that your spoken desire to be done with this , was countered by your fear of losing her . Sorry . I know this is not fun at them moment .

03:02:40 pm

Larry Summers

Mostly right. Still if I told you I'd fallen and hurt myself you would not have told me to diet and exercise. Is this resentment acting out hostility disappointment That im old or what. If she can't be sympathetic at all to anything we can't get along.

LS

03:40:53 pm

Not at all, you obviously are stressed and im sorry for that. . as you recall , Chinese believe that remarking on your fall , forces you both to recognize an unpleasant situation and for fear of embarrassing you , should say as little as possible. . The western unpleasant but apt analogy , is if someone has a bad gas release. The last thing you should do is remind her or him of it by saying. , no worry. It doesn't smell that bad

03:44:37 pm

Jim marshall ran the ball into his own end zone. . to be more formal. I ll ned to refer to you as James

03:46:10 pm

The funny thing was I was texting you a message and feeling myself ready to start skipping when I tripped. The diet I need is more intellectual challenges , that exercise my imagination. I enjoyed the brief Chinese emperor position of being carried around , but alas. Im still Jewish.. and the bearers were dressed in the wrong colors. . your paper is (fill in the complement blank)

I ll deal tmrw. Reality is I can't walk even 3 steps and am going to MGH when I arrive in Boston. Get that I fucked up but did have an unlucky fluke.

LS

Im very very sorry to hear. I hope you feel better soon, I can't imagine how difficult it is for you

10:40:15 pm

10:40:32 pm

Are you leaving today

10:42:33 pm

Is it torn?

10:44:12 pm

Larry Summers

Fuck you JE but it did make me laugh. My limited experience historically has been when girls decide they don't want to screw they start in part out of guilt doing friend things reasonably. Yes I imagine that you will say she is still attached.

10:45:12 pm

On plane ft laud to bos now. No one know what's torn. Both legs problem which is unusual.

10:48:02 pm

Always a good idea

10:48:08 pm

Larry Summers

Yes. Of all places to have a med problem quadriceps in Bos is pretty good.

10:49:10 pm

Doubt I could get off plane. I will keep hiding from Keyu but it will have effect possibly good of alienating me.

We can always have her come to your house to nurse you back to health . My guess is , if she showed up , you'd find away to run

10:51:23 pm

A way

10:51:29 pm

There have been multiple reported cases of bilateral quadriceps tendon ruptures (QTR) in the literature. The diagnosis of bilateral QTR can sometimes be challenging and the possibility of any further tendon injuries should be carefully assessed

10:56:27 pm

He had fallen directly onto both knees
