If Bernie were to cancel all student debt. . how is that reflected on govt books/ ?

Do the borrowers get income?
09:05:13 am

Larry Summers

I doubt borrowers get income but not certain. If they did many who struggle w debt service would get a whopping tax bill.

I suspect a balance sheet impact but not a deficit impact. Depends on whether it's framed as a give away or recognition of reality.

E. J. Dillon thought "the effect on the reader of Chekhov's tales was repulsion at the gallery of human waste represented by his fickle, spineless, drifting people"

"The Lady with the Dog"[91] (also translated from the Russian as "Lady with Lapdog"), [92] which depicts what at first seems a casual liaison between a cynical married man and a woman who meet while holidaying in Yalta. Neither expects anything lasting from the encounter. Unexpectedly though, they gradually fall deeply in love and end up risking scandal and the security of their family lives. The story masterfully captures their feelings for each other, the inner transformation undergone by the disillusioned male protagonist as a result of falling deeply in love, and their inability to resolve the matter by either letting go of their families or of each other.[93]
