Hello. Hope u r well and had lots of dessert with sultan. The white hse announced yday pm modis trip to dc. Can u tell me when and the dates ? Thanks.

10:13:27 am

you were greatly missed. we would both have loved to have you there. . re trip I m told it is a part of israel strategy. should know more after i return from paris.-fyi Im told that buy india in reality is limited to a certain category of things . i.e. many can only be truly made in america. (with its inherent risks for back doors.) IT- yes , jet engines no. however , very enthusiastic over having private biz involved as it is seen to be much less corrupt than govt; (please keep in mind , my expertise is money not politics . so I merely transmit things to you that I'm sure you understand though I might not)
