Idea!! Why not consider trading for my 727. I would give you plane PLUS cash. Even after more than five or six years you would still be ahead cash compared to global. Also much better ride , much . See you in Florida

Thanks but the 727 is way too big of a plane for me.

Hi Jeffrey, hope all is well. I have an option to do a deal with my plane and wanted to know if you were still interested before I move forward?
